## IV. STATEMENT OF YOUR CLAIM

State as briefly as possible the facts of your case. Recite the dates when any incidents or events occurred, and the places where such incidents or events took place. Describe how each defendant is involved. Also include the names of other persons involved and the dates and places of their involvement.

If you set forth more than one claim, number each claim separately and set each claim forth in a separate paragraph:

On Oct. 26<sup>TH</sup> 2010, around 9:15am, I was assaulted by inmate Joshua Granderson #368852, he is on a lower custody level, I am a max inmate. Well on the 26<sup>TH</sup> of Oct. 2010, I was took out side for rec by C/o McCord and C/o Howell. on the way out side I seen SGT. Hollar, and asked if I could speak with him, he said let's go out side once we were out side, I seen Mr. Granderson, I told the to pod officers to take him in because he was going to hit me with human feces, and that we had ~~prop~~ problems in the past, But the pod officers did not listen to me, instead they took in someone else, so when SGT. Hollar, and the pod officers went in, I was assaulted and hit with human feces. I was brought in by officers, I asked to speak with medical nurse, But nurse never came to see me, she put me on sick call to see Medical DR Seehorn, I was placed in the shower, I was told that they wrote the inmate up, but one of the SGT. said that he could <sup>not</sup> be wrote up, because there were no witness I filled out Grievance form on the 26<sup>TH</sup> of Oct. explaining the situation for my requested solution, I asked to speak with Internal Affairs

SGT. MCGEE, so I could press street charges against the inmate who assaulted me. The Grievance committee agreed with my solution, but I never had a proper Grievance Hearing. Only one Inmate Grievance Committee member came to talk to me and told me that they agree with my solution. I never received a copy of my Grievance Response. Nov 4<sup>TH</sup> 2010, I wrote another Grievance on the same situation and it came up missing. I have copies to prove it. I also have copies made of a letter that I wrote to the Deputy Warden Mrs. Johnson. I explained to her about this situation. I also have correctional officers witness the inmate who assaulted me say that he did assault me. ON Nov 19<sup>TH</sup> 2010, SGT MCGEE did come to the unit to do a pod search of the whole unit around 5:00 am. he said that he came to interview me about the situation that took place on Oct 26<sup>TH</sup> 2010. That is not true, ~~how~~ How are you going to interview someone when you are conducting a pod search.

Grievance policy and procedures 501.01. it states. it is the Departments desire that grievances be resolved in an expeditious manner at the lowest possible level in the department. So therefore I am asking for Restitution

V. RELIEF REQUESTED: List what you want the Court to do; list what relief you seek against each defendant:

Dear, Mrs. Johnson...

11.4<sup>TH</sup>.2010

I hope and pray that this letter finds you at your best and that your being strong in faith Mentally and spiritually. I also would like to send you my peace, blessings and upmost Respect to you as a whole...

There is an important issue that I need to discuss with you, and the issue is, on the 26<sup>TH</sup> of Oct 2010, I was assaulted by an inmate that is on a lower custody level, "I am a max inmate". Well on the 26<sup>TH</sup> of Oct 20 I was took out side for rec, once I was out there I seen a inmate that I had problems with, Right then and there, I told SGT. Muller and the two pat officers to take him in, "His hour of Rec was over" I told them that the inmate was going to hit me with human feces. But the officers did not listen to me, instead they took someone else in. So when SGT. Muller and the two pat officers went in, I was hit with human feces, I was brought in by staff I asked to see the nurse. But the nurse never come to see me. The officers wrote the inmate up for assaulting me, but it was never processed because one of the SGT. said that no one witnessed the assault happen.

I filled out a Grievance form on the 26<sup>TH</sup> of oct, explaining the situation for my Requested Solution. I asked to speak with Internal Affairs SGT. McGEE, so I could press street charges against the inmate who assaulted me. The Grievance Committee agreed with my Solution, but I never had a proper Grievance Hearing only one inmate Grievance committee member came to talk to me, and told me that they agree with my Solution.

I never received a copy of my Grievance Response. The main issue is that I been waiting on Internal Affairs officers to come talk to me.

I have sent him several inmate Request forms, I even told L.T SCOTT,

SGT. Muller and SGT. Johnson that I needed to talk to Internal Affairs.

and they said they let him know, but he still hasn't come to speak with me. The Reason the Grievance Committee agreed with my solution was because they seen the assault take place on the camera.

I'm writing you to see if you can help me resolve this matter. my next step is to write to the Director of Internal Affairs ~~at~~ at Berner Boulevard, I also plan to write Tennessee Human Rights commission and the U.S Department of ~~justice~~ justice office if this situation ~~is~~ isn't resolved properly because several of my Inmate Rights have been violated to my understand of T.D.C. policies.

with all that been said I ~~to~~ close this letter with peace and Blessings

Respectfully Submitted!  
DE'MARIC DRIVER # 417678

Thanks for your time

ps. I also have two officers that heard the inmate ~~say~~ say that he threw human feces in my face.
